

**CITY OF BREA
CITY TREASURER**

CARL ORIN CLAUSEN

AGE: 61

OCCUPATION: Management Consultant

The Treasurer's statutory duties are 'to receive and safely keep money, comply with all laws, pay money only on valid warrants, and make reports to the Clerk and Council.' To perform these duties well, the Treasurer must be committed, trustworthy and exercise good judgment on behalf of Brea's citizens. I demonstrated these qualities with significant experiences. My quarter century of community service includes:

Chairman, Brea Planning Commission; President, Brea Chamber of Commerce; Chairman, Brea Economic Development Joint Committee; Chairman, Brea Beautification Committee; Brea Art in Public Places Committee; Brea Sister Cities Committee; and many citizens, youth and other varied activities.

I performed this breadth and depth of public service with steady fairness and respect for all. I have earned the trust and endorsements of our retiring Treasurer, past Mayors, officials and citizens

My MBA degree and experience managing businesses provided me with the necessary financial and management skills. My service as a Navy Captain instilled leadership, responsibility and accountability.

I am running for Treasurer to continue making a contribution to our city. I will be focused on and work actively to protect the interests of all Brea's citizens. I pledge to serve you well. Please vote for Carl Clausen.
